Re: Acknowledgement of Financial Gift Contribution to the Missouri Civil War Museum

Dear Walt,

On behalf of the Missouri Civil War Museum, I wish to thank the Department of Missouri Sons of Union Veterans of the Civil War for their recent contribution of \$150.00 (ck#395) to the museum.

I hope your meeting at the museum this past weekend was productive and successful. We do look forward to seeing many of your organization's members at the museum in a few months when the national encampment is held in St. Louis. We will be displaying some additional Grand Army of the Republic artifacts and memorabilia in the museum just for the occasion and the enjoyment of your members who will be visiting us.

Once again, thank you very much for your recent contribution to our museum and I look forward to speaking with you soon.

Respectfully,

Mark L. Trout, Exec. Director
Missouri Civil War Museum, St. Louis, Missouri
